INDEPENDENT AUDITOR'S REPORT

To the Board of Commissioners
Greenup Joint Sewer Agency, Inc.
Greenup, Kentucky

Report on the Financial Statements

I have audited the accompanying financial statements of the business-type activities of and Greenup Joint Sewer Agency, Inc., as of and for the year ended June 30, 2015, and the related notes to the financial statements, which collectively comprise the Greenup Joint Sewer Agency, Inc.'s basic financial statement listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express opinions on these financial statements based on my audit. I conducted my audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statement are free from material misstatement.

An audit involves performing procedure to obtain audit evidence about the amounts and disclosures in the financial statements. The procedure selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentations of the financial statements in order to design audit procedures that are appropriate in the circumstances; but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the evidence I obtained is sufficient and appropriate to provide a basis for my audit opinions.

Opinions

In my opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the business-type activities of and Sewer District, as of June 30, 2015, and the respective changes in financial position and where applicable, cash flows thereof for the year ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Accounting principles generally accepted in the United States of America require that management's discussion and analysis and budgetary comparison information on pages 3-7 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by Governmental Accounting Standards Board, who considers it to be an essential part of financial statements in an appropriate operational, economic, or historical context. I have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America; which consisted of inquiries of management about methods of preparing the information and comparing the information for consistency with management's responses to my inquiries, the basic financial statements, and other knowledge I obtained during my audit of the basic financial statements. I do not express an opinion or provide any assurance on the information because the limited procedures do not provide me with sufficient evidence to express an opinion or provide assurance.

Other Reporting Required by Governmental Auditing Standards

In accordance with Governmental Auditing Standards, I have also issued my report dated February 22, 2019, on my consideration of and Greenup Joint Sewer Agency, Inc.'s internal control over financial reporting and on tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of my testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Governmental Auditing Standards in considering and Sewer District's internal control over financial reporting and compliance.

GREENUP JOINT SEWER AGENCY, INC.
MANAGEMENT'S DISCUSSION AND ANALYSIS
Year ended June 30, 2015

This discussion and analysis of the Greenup Joint Sewer Agency's financial performance provides an overview of the Agency's financial activities for the year ended June 30, 2015. This information is presented in conjunction with the audited financial statements that follow this section.

FINANCIAL HIGHLIGHTS

- The Agency assets exceeded its liabilities at the end of the year by \$198,638.
- At June 30, 2015, the Agency had \$2,174,516 in assets and \$1,975,878 in liabilities. The investment in capital assets, net of related debt, balance at this date was (\$116,577). The restricted for debt service balance was \$313,623. The unrestricted balance was \$1,592.
- The Agency had a net loss of \$250,163 for the year ended June 30, 2015.
- The Agency's solid waste revenue was \$131,467 for the year ended June 30, 2015. This was the Agency's first year of operations.

OVERVIEW OF FINANCIAL STATEMENTS

This discussion and analysis is intended to serve as an introduction to the Agency's basic financial statements. The Agency's basic financial statements comprise two components: 1) financial statements, and 2) notes to the financial statements. This report also contains other supplementary information in addition to the basic financial statements themselves.

Financial statements. The financial statements are designed to provide readers with a broad overview of the Agency's finances, in a manner similar to a private – sector business.

The statement of net position presents information on all of the Agency's assets and liabilities showing the balances as of June 30, 2015. Over time, increases or decreases in net assets may serve as a useful indicator of whether the financial position of the Agency is improving or deteriorating.

The statement of revenues, expenditures and changes in net position presents information showing the Agency's net income or (loss) for the years then ended.

The statement of cash flows shows the increase or decrease in the cash and cash equivalents for the year ended by the different types of activities.

The financial statements can be found on pages 8 through 12 of this report.

Notes to the financial statements. The notes provide additional information that is essential to a full understanding of the data provided in the financial statements. The notes to the financial statements can be found on pages 12 through 17 of this report.

GREENUP JOINT SEWER AGENCY, INC.
MANAGEMENT'S DISCUSSION AND ANALYSIS
Year ended June 30, 2015

FINANCIAL ANALYSIS

Net assets may serve over time as a useful indicator of the Agency's financial position. In the case of the Agency, assets exceeded liabilities by \$198,638 at the close of the most recent year.

Greenup Joint Sewer Agency's Net Assets

		2015
Current assets	\$	19,631
Restricted assets		313,623
Fixed assets		1,841,262
Other assets		0
Total assets		2,174,516
Current liabilities		18,039
Long-term liabilities		1,957,839
Total liabilities		1,975,878
Net assets:		
Investment in		
Capital Assets		(116,577)
Restricted		313,623
Unrestricted		1,592
Total net assets	\$	2,174,516

By far the largest portion of the Agency's net assets reflects its investment in fixed assets (e.g., land, sewer plant, tanks), less any related debt used to acquire those assets still outstanding.

Budget Comparisons

- As this was the first year of existence for the Greenup Joint Sewer Agency, there was no budget in place.

GREENUP JOINT SEWER AGENCY, INC.
MANAGEMENT'S DISCUSSION AND ANALYSIS
Year ended June 30, 2015

FINANCIAL ANALYSIS OF THE AGENCY'S FUNDS

The Agency uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. Proprietary funds are accounted for on a flow of economic resources measurement focus. With this measurement focus, all assets and liabilities associated with the operation of these funds are included on the Statement of Net Position. Fund equity (i.e., net total assets) is segregated into contributed capital and retained earnings components. Proprietary fund type operating statements present increases (i.e., revenues) and decreases (i.e., expenses) in net total assets.

The accrual basis of accounting is utilized by the Agency. Under this method, revenues are recorded when earned and expenses are recorded at the time the liabilities are incurred.

Capital Assets

The Agency's investment in utility plant and equipment as of June 30, 2015 amounts to \$1,841,262 (net of accumulated depreciation). The increase in the Agency's investment in utility plant (net of accumulated depreciation) for the current year was 100% percent, before current depreciation.

Additional information on the Agency's utility plant can be found in Note (9) of the financial statements.

Debt Administration

At the end of the current fiscal year, the Agency had total debt outstanding of \$1,957,839. Additional information on the Agency's long-term debt can be found in Note (10) of the financial statements.

Contacting the District's Financial Management

This financial report is designed to provide our customers, creditors, and other users with a general overview of the Agency's finances and to show the Agency's accountability for the money it receives. If you have questions about this report or need additional financial information, contact the District's Manager, at the Greenup Joint Sewer District, 211 Wurts Road, Wurtland, KY 41144, 606-833-8100.

GREENUP JOINT SEWER AGENCY, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2015

Note 1 – Summary of Significant Accounting Policies

The significant policies of the Agency are as follows:

Organization and Business Activities – The district is a governmental organization with its primary activities consisting of sale of sewer services to residents in Greenup County Kentucky, pursuant to the provisions of the Inter Local Cooperation Act of Kentucky Revised Standards Statutes Sections 65.210 through 65.300, inclusive, for the purpose of acquiring and operating sewage treatment facilities.

Basis of Accounting – The accounting and reporting policies of the and Sewer Agency relating to the funds included in the accompanying basic financial statements conform to accounting principles generally accepted in the United States of America applicable for local governments. Generally accepted accounting principles for local Governments includes those principles presented by the Governmental Accounting Standards Board (GASB), the American Institute of Certified Public Accountants in the publications entitled Audits of State and Local Governments and by the Financial Accounting Standards Board (when applicable). As allowed in section PBO of GASB's Codification of Governmental Accounting and Financial Reporting Standards the Agency has elected not to apply Financial Accounting Board Statements and Interpretations, Accounting Research Bulletins of the Committee of Accounting Principle Board Opinions, and Accounting Research Bulletins of the Committee of Accounting and Procedures issued after November 30, 1969. The Agency first applies restricted resources when an expense is incurred for restricted and unrestricted purposes. The more significant polices of the district are described below.

Basis of Presentation

In accordance with Governmental Accounting Standards Board (GASB) Statement No. 34, the Agency uses Proprietary Fund financial statement reporting including a Statement of Net Assets, Statements of Revenues, Expenditures and Changes in Net Assets, and a Statement of Cash Flows.

The Statement of Net Assets includes the Agency's assets and liabilities and provides Information about the nature and amounts of investments in resources (assets) and the obligations to the Agency's creditors (liabilities). The difference between the assets and liabilities is shown as net assets. The statement also provides the basis of evaluating the capital structure of the Agency and assessing its liquidity and financial flexibility.

The statement of Revenue, Expenditure and Changes in Net Assets accounts for the current year's revenue and expense. This statement measures the success of the Agency's operations over the past year and determines whether the Agency has recovered its cost through user fees and other charges.

The final required financial statement is the Statement of Cash Flows. This statement reports cash receipts, cash disbursements, and changes in cash resulting from operations and investments during the reporting period.

GREENUP JOINT SEWER AGENCY, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2015

Note 1 – Summary of Significant Accounting Policies (Continued)

The Notes to the basic financial statements provide a description of the accounting policies used to prepare the financial statements and present disclosures required by generally accepted accounting principles that are not otherwise present in the financial statements.

The Agency's basic financial statements include the accounts of all Agency operations. The Agency's criteria for including organizations as component units with the Agency's reporting entity, as set forth in Section 2100 of GASB's Codification of Governmental Accounting and Financial Standards includes whether:

- The Organization is legally separate (can sue and be sued in their own name).
- The Agency holds the corporate powers of the organization.
- The Agency appoints voting majority of the organization.
- The Organization has the potential to impose a financial benefit/burden on the Association.
- There is fiscal dependency by the organization on the Agency.

Component Unit Presentation – Based on the aforementioned criteria the Agency has no component units.

Cash - For the purpose of the statement of cash flows, the Agency considers cash to include cash on hand and unrestricted cash in bank.

Inventory – Inventory consists primarily of pipes and supplies to be used for future expansion and repairs of existing lines. Inventory is valued at the lower of cost or market under first – in, first- out (FIFO) method.

Allowance for Doubtful Accounts – The Agency utilizes the allowance method for accounting for bad debts. This method is based on historical experience and evaluation of outstanding accounts at year end. The Allowance for Doubtful as of December 31, 2015 is zero.

Operating and Non – Operating Revenue – Only solid waste revenue and related service charges and penalties are considered as operating revenue.

Applying Resources – Restricted resources are applied first for expenses incurred for which both restricted and unrestricted net assets are available.

Use of Estimates – The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results can differ from those estimates.

GREENUP JOINT SEWER AGENCY, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2015

Note 2 – Restricted Cash Accounts

The District had the following restricted cash accounts as of June 30, 2015.

	<u>2015</u>
Debt Service	\$ 313,623
Totals	<u>\$ 313,623</u>

Note 3 – Prepaid Items

Prepaid items include prepayment of service contracts, software rights and insurance. These amounts represent payments made in the current year for which services will be provided in the subsequent fiscal year. There were no prepaid items for 2015.

Note 4 – Deferred Income

Unearned revenue was \$0 for 2015

Note 5 – Deposits with Financial Institutions

As of December 31, 2015, the company had amounts of \$ 316,964 on deposit with financial institutions with \$ 250,000 insured by FDIC and \$ 66,964 is uninsured.

Note 6 – Subsequent Events

During July 2017 made agreements with Kentucky Infrastructure Authority to catch up all required loan payments and reserve requirements.

GREENUP JOINT SEWER AGENCY, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 31, 2015

Note 7 – Capital and Net Assets

Changes in contributed capital and net assets during the year ended December 31, 2015.

	<u>Contributed Capital</u>	<u>Reserves</u>	<u>Net Assets (Deficit)</u>	<u>Total</u>
Balance July 1, 2014	\$ <u>0</u>	\$ <u>0</u>	\$ <u>0</u>	\$ <u>0</u>

Note 8 – Risk Management

Significant losses covered by commercial insurance with premiums (based on industry information adjusted for any District Claims) for general liability, vehicles, personal and real property. Settlement amounts have not exceeded insurance coverage for the current year.

Note 9 - Property and Equipment

Capital assets, which include property, plant, equipment and vehicles, are reported in the applicable governmental column in the government – wide financial statements. All capital assets are valued at their historical cost or estimated historical cost if actual historical is not available. Donated assets are valued at their market value on the date donated. Repairs and maintenance are recorded as expenses. Renewals and betterments are capitalized.

Depreciation has been calculated on each class of depreciable property using the straight – line method. Estimated useful lives are as follows.

Depreciation has been calculated on each class of depreciable property using the straight – line method. Estimated useful lives are as follows:

Greenup Joint Sewer Agency, Inc.
Greenup, Kentucky

I have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the business-type activities, each major fund, and the aggregate remaining fund information of and Greenup Joint Sewer Agency, Inc., (a Kentucky Special District) as of and for the year ended June 30, 2015, and the related notes to the financial statements; which collectively comprise and Greenup Joint Sewer Agency, Inc.'s basic financial statements and have issued my report thereon dated February 22, 2019.

Internal Control Over Financial Reporting

In planning and performing my audit of the financial statements, I considered and Greenup Joint Sewer Agency, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing my opinion on the financial statements; but not for the purpose of expressing an opinion on the effectiveness of Greenup Joint Sewer Agency, Inc.'s internal control. Accordingly, I do not express an opinion on the effectiveness of Greenup Joint Sewer Agency, Inc.'s internal control.

My consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that have not been identified. Impaired material assets were not removed from the Agencies records.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented; or detected and corrected on a timely basis. However I did identify the following deficiency that I consider to be material weaknesses.

Impaired assets were not removed from the fixed asset schedules or financial statements.

Views of responsible officials:

This was a one time over looked event.

A significant deficiency, or a combination of deficiencies in internal control is a deficiency, or combination of deficiencies, in internal control that is less severe than a material weakness; yet important enough to merit attention by those charged with governance. I consider the following to be a significant deficiency.

Invoices were not maintained for items purchased.

Views of responsible officials:

The accounting system is now being brought up to required standards.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether and Greenup Joint Sewer Agency, Inc.'s financial statements are free of material misstatement, I performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements; noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of my audit, and, accordingly, I do not express such an opinion. The results of my tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards. I consider the following to be compliance findings.

Loan payments and reserve requirements were not be made as required by agreement.

Views of responsible officials:

New agreements were reached in July 2017 and all requirements are current as of the issue date of this report.

Budgets, audits, and collateral agreement for cash balances above FDIC insurance need to be prepared and maintained as required by Kentucky State Statue.

Views of responsible officials:

The accounting is now being brought up to required standards.

Purpose of this Report

The purpose of this report is solely to describe the scope of my testing on internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purposes.
