

Pursuant to KRS 147A.164, the Department for Local Government (“DLG”) provides the following annual report of the Government Resources Accelerating Needed Transformation Program.

- (1) DLG has received 62 applications from eligible entities totaling \$78,363,411.85. DLG has developed a scoring system for the project proposed by each grant applicant based on the total projected return on investment and the relative positive impact in the priority community.
- (2) DLG has incurred administrative costs of \$29,065.97.
- (3) The current balance of the Government Resources Accelerating Needed Transformation Program fund is \$2,000,000.00.
- (4) DLG recommends appropriating \$100,000,000.00 to the Government Resources Accelerating Needed Transformation Program fund for the upcoming fiscal year.
- (5) No legislation or policy actions are needed to facilitate greater receipt of grant funding to priority communities at this time.
